Tips & Suggestions

Scripture coloring is even more useful when combined with a deeper Bible study practice. I recommend incorporating techniques such as verse mapping, Bible journaling, or Scripture writing, to help you understand each verse on a deeper level.

Coloring time can also be a great opportunity to pray and ponder the meaning of the Scripture, and ask God to show you how to live out His Word in your everyday life. Don't forget to talk to God during your coloring session!

Choose smooth, quality paper for the best coloring experience. Copy paper will work in a pinch, but a good ink jet or laser paper will be better. Look for paper with a smooth, bright white finish. When you get ready to print your coloring page, feel free to omit pages #1 and #2 of this document, as they're only here for your information. (The coloring page is page #3).

ABOUT THE SYMBOLISM

Psalm 139 is all about God's amazing love, as shown in the ways He creates and cares for His people! His love is seen in the marvelous details of the human body, the way He originally designed us to be. It's manifested in the unique beauty and worth of each person. And, it's shown in all the ways He watches over us each day.

The heart which encircles the phrase *"because I am fearfully and wonderfully made"* is symbolic of the love and care God puts into each of us.

The wing-like flowers on either side of the heart represent His eternal plan for us... that someday, we will reside with Jesus in paradise, and we'll sing His praises alongside the angels! In the meantime, our bodies here on earth are burdened and broken... but there are still many reasons to thank God for how fearfully and wonderfully made we are.

From the precise details of our DNA, to the marvelous and mysterious ways our brains think and function, there is much to praise God for. His design is very good, and even when we are riddled by the effects of sin and/or Satan's evil doings, there is still much of that goodness to be found.

Lastly, this coloring page is also reminiscent of God's Creation as a whole. We ourselves are fearfully and wonderfully made, but all of earth is too—and what a gift and a privilege we have to enjoy and care for it. From the beautiful flowers we smell, to medicinal plants and herbs for healing, and the visual majesty of the highest mountains and deepest canyons, there is so much to praise God for!

I praise you

because

I AM
and

fearfully
wonderfully

MADE;

your works are

wonderful.

I know that

full well.

Psalm 139:14 (NIV)
